Professor Nassar is one of the BEST professors that I have had ever in my life. His enthusiasm and excitement for this class really motivated me and gave me a passion for physics. He seriously changed the way I view the world and how everything works. His input in the class was amazing and he will probably remain to be one of the BEST people that I have ever met. Thank you very much professor Nassar for your day to day excitement and knowledge that you brought to this ~~the~~ class!!!

Dr. Nassar is the best teacher I have ever had in my life. He is one of the few teachers I know who knows how to teach very well not just lecture. He was very knowledgeable and very concerned about his students. He made a hard topic such as physics, extremely easy to understand because he can teach so well.

I truly wish he could teach the whole physics series. I used to hate physics before, but Dr. Nassar integrated real life applications into his lectures. He talked about art, history, and other topics a person wouldn't normally associate with physics. GO DR. NASSAR!
