Your careful and candid evaluation is important. Student course evaluations provide feedback to the instructor to help improve teaching and they provide information for faculty evaluation and promotion. Summaries of these evaluations are returned to the instructor and to the department chair. Please provide thoughtful and constructive comments regarding the instructor and course on the back of this sheet.

Dr. Nassar is one of the best professors I've ever had at UCLA. He defines what it means to be a teacher. The class was very memorable and I will never forget how he would connect physics with many other aspects in the world. I loved his genuine concern towards students. He really wants them to grow and understand.
Awesome Job!

Professor Nassar is a great professor. I was really scared to take Physics b/c of a bad teacher in high school, but Professor Nassar totally changed my view of Physics. He made it fun and very understandable. His enthusiasm is contagious and his love for Physics really shows in his teaching. ~~He~~ You can also tell that he cares a lot about his students.

Professor Nassar introduced me to physics in a way that I didn't think possible: I actually LIKED the course! His grading was fair - if you worked hard, it payed off. I recommend him to anyone and his enthusiasm for the subject was a definite plus! Thank You Professor Nassar, for making the last 6 weeks so enjoyable!

Dr. Nassar was an excellent professor. Not only was his care for student learning great, he truly enjoyed physics and made it very appealing to learn about. Homework problems were shown as real life situations through demos and other medias. Though I did not get a chance to truly know him, he was a great professor who wanted his students to succeed. Thank you!

NOTE: Each year, the Academic Senate Committee on Teaching gives awards to outstanding faculty and teaching assistants. If you wish to nominate an instructor or teaching assistant for such an award, please contact the instructor's department.
